

# Electrical Solutions for Renewable Energy Applications

## Wire & Cable Products

- 5/15KV Jumper Cable
- AAAC, AAC, ACSR, Overhead Primary
- Bare Copper/Copperweld/Alumoweld
- Category Cable
- Cathodic Protection / Tracer Wire
- Coaxial Cable
- Direct Bury Rated Distribution (Copper and Aluminum)
- Duplex, Triplex and Quadruplex Secondary and Service Drop
- Fiber Optic Cable – Single and Multimode
- Fiber-In-Duct
- Galvanized Steel Strand (Guy or Span Wire)
- Innerduct / Cable-In-Duct
- Interlock Armor Cable (600V-15KV)
- Medium Voltage Cable (2.5KV-69KV)
- Optical Ground Wire (OPGW)
- Overhead Rated Transmission and Distribution (Copper and Aluminum)
- Photovoltaic (PV) Cable – Copper or Aluminum
- Self-Supporting Aerial Cable – Aluminum and Copper (600V-15KV)
- Substation Control Cable (Shielded or Non-Shielded) (Various Color Codes)
- THHN, MTW, THW, XHHW, SIS (Switchboard Cable), XLP/USE, EPR/USE
- Tray Cable – VNTC, XLP/PVC, FR-XLP/CPE, FR-EP/CPE, LSZH, 20-10 & 30-15 Control Cable, PLTC POS, TROS, SPOS (600V-2KV)
- URD Primary – Copper and Aluminum (15KV-138KV)
- Variable Frequency Drive (VFD) Cable
- Various Accessories – Arresters, Elbows, Terminations & Splices

## Specialized Services

- 24/7/365 Service
- Blanket Ordering and Project Pricing
- Cable Audits
- Custom Manufactured Cable – Short Minimum Runs and Lead Times
- Custom Reel Tagging
- Cut-To-Length Service
- Engineering Support (Applications, Design, Certifications, Cut Sheets)
- Factory Installed Pulling Eyes
- Inventory Management Programs (VMI)
- MetroSpin® – Single Compartment Reels
- Paralleling, Triplexing, and Twisting
- Personalized Sales Service
