MWC Director Appointed to Boards, Receives Award

Nathan (Nate) Tallman, Director of Corporate Development and Marketing for Metro Wire and Cable, Corporation was recently appointed by the Honorable Governor of Michigan (Rick Snyder) to the Board of Podiatric Medicine and Surgery and was also selected to serve on the Sterling Heights (MI) Regional Chamber of Commerce and Industry Board of Directors. Both organizations support the growing economic climate of the State of Michigan.

“Both appointments are well deserved for Nate and great exposure for our growing company,” touted Devin Ezop, General Manager. “Nate understands the business climate in the regions that we service and can relate well with leaders in these industries.”

In addition to the above mentioned appointments, Tallman also received during the Fall of 2014 the Distinguished Young Alumni award from Central Michigan University. The award ceremony on the Mount Pleasant, Michigan campus showcased eight community and alumni members.

Tallman has served as Director of Corporate Development and Marketing for Metro Wire and Cable, Corporation since 2012. Tallman helps oversee the day-to-day operations from a corporate level for MWC’s three facilities (Sterling Heights, Mi; Lawrenceville, GA; and Iowa City, IA).

MWC specializes in working alongside a variety of industries; public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM’s) and the security industry. Metro Wire & Cable provides value added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.

For more information about these honors and Metro Wire and Cable, Corp., please contact Devin Ezop, General Manager, at (586) 264-3050 or devinezop@metrowire.net.

About Metro Wire & Cable

Metro Wire & Cable, one of the Nation's top two-hundred electrical distributors, provides warehousing, supply chain, and delivery services of wire and cable products for a broad spectrum of markets. These markets include public utilities, electrical contractors, wind farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM’s) and the security industry. Metro Wire, founded in Detroit, Michigan in 1976, established its Southeast Regional Distribution Center in Atlanta, Georgia in 1981, and it’s Midwest Regional Distribution Center in Iowa City, Iowa in 2008. The company, now headquartered in Sterling Heights, Michigan, maintains extensive inventories tailored specifically to customer requirements at each location.
