**MWC Selected as one of the Nation’s Top Electrical Distributors for Third Consecutive Year**

For the third consecutive year, a first in the companies’ thirty-eight year history, Metro Wire and Cable has been selected as one of the Top 200 Electrical Distributors in the United States for 2014, presented by industry leading publication *Electrical Wholesaling*.

“We are grateful for this honor and humbly proud of our achievements” stated Donald D. Ezop, Metro Wire and Cable President/CEO. “This honor is a tremendous testament to our employees, customers, vendors, and communities that we serve”.

“Within the past year, we have continued to provide multiple solutions to our customers to make their job easier” stated Nathan Tallman, Metro Wire and Cable Corporate Development Director. “Additionally, we have made internal enhancements by launching a new ERM/CRM system, increased our sales staff in all three locations, continue to sell more products across diverse industries, and continuing to deliver on our vales of being industry specialists.”

With locations in Michigan, Georgia, and Iowa, MWC specializes in working alongside public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM’s) and the security industry. Metro Wire & Cable provides value added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.
