**Metro Wire and Cable, Corp. Announces Hiring's**

Metro Wire and Cable-Detroit is pleased to announce the hiring of **Steven Hatala** as **Sales Consultant** in Detroit, MI and **Doug Gilstrap** as **Sales and Operations Assistant** in Lawrenceville, GA.

Hatala comes to Metro Wire and Cable after serving in several capacities within the wire and cable and industrial distribution industry. Serving in various capacities from warehouse/supply chain, to purchasing and sales, Steve has a solid background for providing solutions to customers' needs and specifications.

Similarly, Gilstrap will be joining the Metro Wire and Cable-Atlanta team. Doug, who has an extensive history in the HVAC industry in Metro Atlanta, will serve the Atlanta team as a Sales and Operations Assistant, with sales and supply chain responsibilities.

Both will be charged with working with customers in and around their respective geographic regions, as well as specializing in providing results to electrical contractors, fire and security companies, utilities, OEM's and other customer bases. Hatala and Gilstrap's broad knowledge of electrical cable and accessories, coupled with their abilities to relate well with various customer groups will poise them for great success in these markets.

Devin Ezop, General Manager of Metro Wire and Cable, states "We are very excited to have Doug and Steve join our team. Both bring many different sales attributes with them, and a passion for the industry. They will be a great asset to our Corporation as we continue to grow and help our customers reach their goals."

Hatala can be reached at 1-586-264-3050 or by e-mail at [shatala@metrowire.net](mailto:shatala@metrowire.net).

Gilstrap can be reached at 1-770-995-3700 or by e-mail at [dgilstrap@metrowire.net](mailto:dgilstrap@metrowire.net).

For more information about these hiring's, please contact Nathan Tallman, Corporate Development Director, (586) 264-3050, [ntallman@metrowire.net](mailto:ntallman@metrowire.net).

###

**About Metro Wire & Cable**

Metro Wire & Cable, one of the Nation's top two-hundred electrical distributors, provides warehousing, supply chain, and delivery services of wire and cable products for a broad spectrum of markets. These markets include public utilities, electrical contractors, wind farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire, founded in Detroit, Michigan in 1976, established its Southeast Regional Distribution Center in Atlanta, Georgia in 1981, and it's Midwest Regional Distribution Center in Iowa City, Iowa in 2008. The company, now headquartered in Sterling Heights, Michigan, maintains extensive inventories tailored specifically to customer requirements at each location.
