

FOR IMMEDIATE RELEASE: March 31, 2017

Interstate 85 Road Closure in Atlanta, GA

On Thursday, March 30th, the City of Atlanta, Georgia experienced an unprecedented surface street fire that caused the destruction and collapse of a portion of Interstate 85, just north of downtown. First responders were able to minimize the area of loss and Metro Wire as well as the citizens of the State of Georgia are thankful for their quick and heroic actions.

To help with this situation, Metro Wire's Southeast Distribution facility will stay open longer to ensure you can pick up products from our Lawrenceville, GA facility. If you need us to open our doors prior to 8:00AM EST or for us to stay past our normal closure of 5:00PM EST, please feel free to call us at **1-770-995-3700**. Metro Wire will customize a solution for you.

A map detailing the area of I-85 that is currently closed is attached to this release for your review.

For more information related to this incident and solutions Metro Wire has in place, please contact Richard Wade, Southeast Regional Sales Manager at 1-770-995-3700 or rwade@metrowire.net.

###

About Metro Wire & Cable

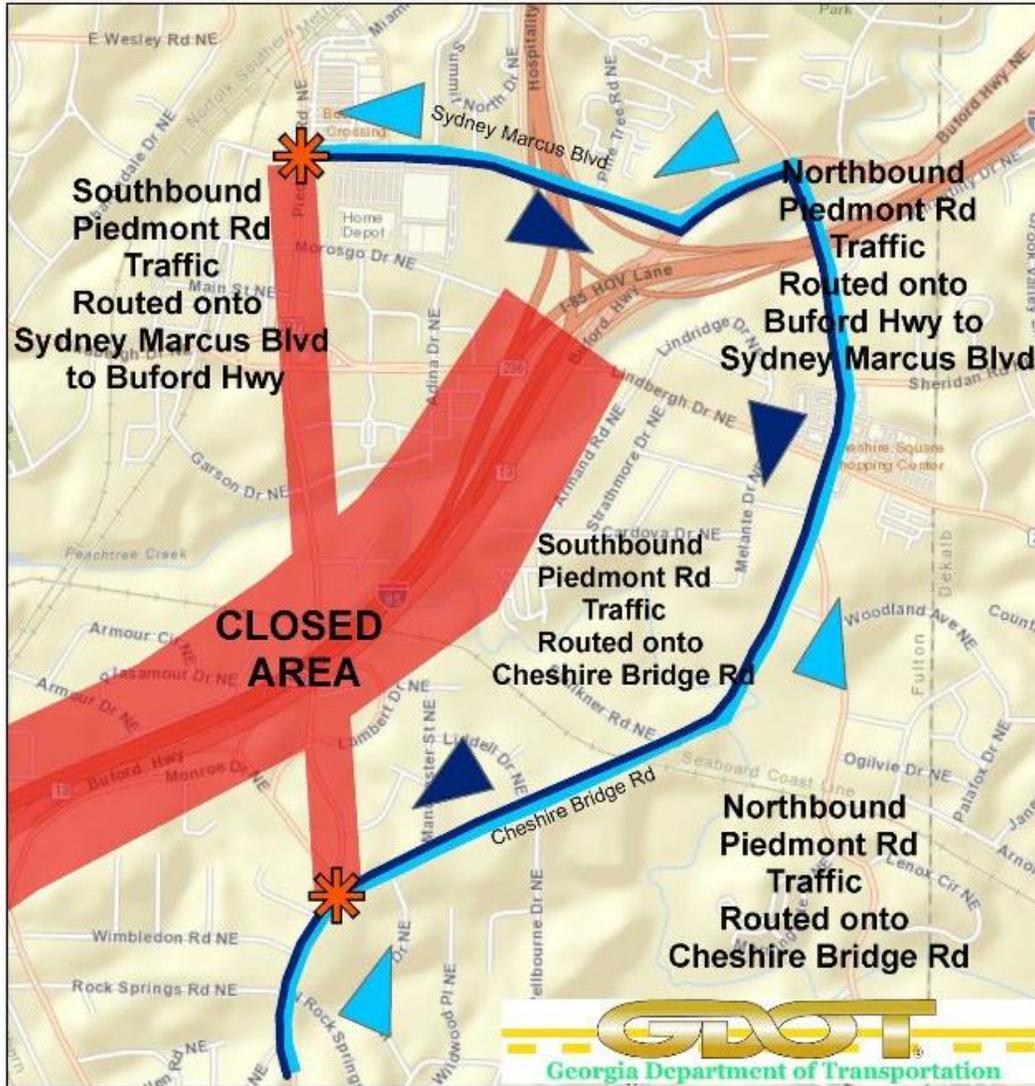

Metro Wire & Cable, one of the Nation's top two-hundred electrical distributors, provides warehousing, supply chain, and delivery services of wire and cable products for a broad spectrum of markets. These markets include public utilities, electrical contractors, wind farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire, founded in Detroit, Michigan in 1976, established its Southeast Regional Distribution Center in Atlanta, Georgia in 1981, and it's Midwest Regional Distribution Center in Iowa City, Iowa in 2008. The company, now headquartered in Sterling Heights, Michigan, maintains extensive inventories tailored specifically to customer requirements at each location.
