

## **MWC Achieves 'Top 200' Distinction for 7th Consecutive Year**

Metro Wire and Cable Corp. (MWC) is pleased to announce that it has been selected, for the seventh consecutive year, as one of the top Electrical Distributors in the United States by industry-leading publication and news source *Electrical Wholesaling*.

"We continue to provide solutions to our customers and thank them for their trust in us," states Devin H. Ezop, Owner/President/CEO. "We thank them for their partnership and friendship over the years and allowing us to grow with them as their business needs change and adapt."

With three main distribution centers, MWC specializes in providing timely solutions to Utility, Industrial, Low Voltage, OEM, and Traffic Signal industries through partnerships with electrical contractors, public utilities and end-users.

"2017 was a great year for us and we are excited about 2018," states Nate Tallman, Vice President. "Our team was able to partner with our customers on numerous large and complex utility and industrial projects that allowed us to grow as an organization. 2018 is poised to be another great year thanks to our customers, staff, and vendors."

With locations in Michigan, Georgia, and Iowa, MWC specializes in working alongside public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire & Cable provides value-added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.
