

FOR IMMEDIATE RELEASE: November 19th, 2019

INDUSTRY VETERAN JOINS METRO WIRE RANKS AS NATIONAL SALES MANAGER

Metro Wire and Cable, Corporation is pleased to announce the hiring of industry sales leader **Charles (Charlie) Antie**. Antie will serve as National Sales Manager, assisting with strengthening key client relationships in several market segments; utility, industrial, oil/gas, and working with electrical contractors who service such industries.

Antie is no stranger to electrical wire and cable distribution, as he has had a long tenure in working with several national leading manufactures and working with key market segments. Antie has had previous management/leadership roles with General Cable, Belden Cable and Electronics, Shawflex and Dekoron Wire and Cable.

“I am thrilled to join the Metro Wire Team,” Antie stated. “There is a tremendous sense of customer satisfaction that current customers state about their working relationship with Metro Wire and I am excited to assist strengthening and growing these relationships.”

MWC specializes in working alongside a variety of industries; public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM’s) and the security industry. Metro Wire & Cable provides value added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.

More information about Metro Wire and Cable, Corporation can be found at www.MetroWire.net. Antie can be reached at cantie@metrowire.net.

About Metro Wire & Cable

Metro Wire & Cable, one of the Nation's top electrical distributors, provides warehousing, supply chain, and delivery services of wire and cable products for a broad spectrum of markets. These markets include public utilities, electrical contractors, wind farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM’s) and the security industry. Metro Wire, founded in Detroit, Michigan in 1976, established its Southeast Regional Distribution Center in Atlanta, Georgia in 1981, and it’s Midwest Regional Distribution Center in Iowa City, Iowa in 2008. The company, now headquartered in Sterling Heights, Michigan, maintains extensive inventories tailored specifically to customer requirements at each location.
