

FOR IMMEDIATE RELEASE: April 1, 2020

Metro Wire and Cable, Corp. To Procure Locally Sourced Clean Energy

Metro Wire and Cable, Corp., an environmentally focused, Nationally recognized, electrical wire and cable distributor, has joined DTE Energy's [MIGreenPower](#) program, committing to power its Sterling Heights, MI Corporate Headquarters with Michigan-made clean energy. The move will offset several metric tons of carbon dioxide emissions, further delivering on Metro Wire and Cable, Corp. sustainability targets.

"Investing in renewable energy remains an important part of Metro Wire's vision for a cleaner world," said Devin Ezop, President/CEO of Metro Wire and Cable, Corp. "DTE's MIGreenPower program complements our sustainability initiatives, including our ongoing efforts to work with clients who are focused on the future, just like Metro Wire."

MWC specializes in working alongside a variety of industries; public utilities, electrical contractors, wind-farm developers, commercial and industrial HVAC industries, traffic signal and airport lighting contractors, Original Equipment Manufacturers (OEM's) and the security industry. Metro Wire & Cable provides value added handling, warehousing, supply chain, and delivery services of wire and cable products for this broad spectrum of markets.

More information about Metro Wire and Cable, Corp. can be found at www.MetroWire.net.
